KC Cabernet Merlot

**Vintage**  
2004

**General**  
The KC range is made with the modern consumer in mind. A late vintage characterized by good yields and generously structured, fruity wines with good colour, balance and concentration showing modest ageing potential.

**Description**  
2004 KC Cabernet Merlot is made in an approachable style with modest barrel ageing and a focus on accessible fruit flavours. Whilst it will improve in bottle for up to 5 years from the date of bottling, our suggestion is to drink it in its flush of youth, enjoying the fresh fruit flavours and soft tannins whilst still in their prime.

**Grape variety**  
Cabernet Sauvignon 86% and Merlot 14%

**Wine record**  
Fermentation and malolactic fermentation in stainless steel tanks, barrel maturation in 5000L oval vats and 225L barriques for almost 12 months.
