KC Sauvignon Blanc

Vintage	2016
General	Grapes were sourced from excellent quality vineyards in the coastal region. Sauvignon blanc grapes best express their varietal flavours when grown in cool sites, therefore we aim to source from vineyards either close to the sea, or at a high altitude.
Description	Bring in appearance with abundant lime aromas. A racy acidity compliments the tropical style with flavours of melon and fig. Fresh and expressive the wine concludes with a long and zesty finish.
Grape variety	Sauvignon Blanc
Wine record	Purchased grapes were chilled overnight before careful processing in the cellar. Fermentations lasted up to 4 weeks, where after the wines remained on gross lees for 5 months before blending.
