Riesling

Vintage	2014
General	The Riesling grapes were hand selected and only perfect bunches were picked, as a result we only harvested 2 tons per hectare. Despite these low yields, the Riesling vines provided excellent quality fruit with super acidity and fresh aromatics.
Description	An elegant Riesling with distinct terroir expression. The intense palate balances a rich floral and savoury flavours with a good acidity. Citrus blossom flavours follow into a long and fresh finish.
Grape variety	100 % Riesling
Wine record	The Riesling is made in a natural and more importantly minimalistic style. The wine was naturally fermented and left on the lees for 6 months. Long extended skin contact before pressing, cold fermentation, no added enzymes and only the bare minimal essential additives were used in the making of this wine.
